Hi Lisa,

Thank you for the invite! We'd be happy to share the Story Map at the Tools and Resources webinar on Jan 13.

Our Team will start preparing the announcement information and presentation materials; the sample flyer and guidelines would be very helpful.

Thanks for the opportunity! I look forward to the event!

Kind regards,
Shannon

Subject: January Tools & Resources Webinar: Proctor Creek Story Map

Hi Shannon,

We are inviting you to present at our January [Tools & Resources webinar](#) on the Proctor Creek Story Map.

This public, monthly webinar series is focused on sharing ORD resources and information (high profile, integrated work) that is useful, practical/applied and available to meet state research needs. Our target audience is state environmental and health agencies, tribes, local governments, communities and other decision makers (across all ORD partner groups).

This webinar series is generally the 3rd Wednesday of the month from 3-4 pm ET, however January 20 is Inauguration Day, so we are looking at January 13, 2020.

Please let us know if you are willing to present. We will need a description of the presentation by **December 11** for the announcement flyer. Erin McCabe can provide you a sample flyer and presenter guidelines.

Thank you,
Lisa
